Kendall,

On behalf of Dennis McLerran, I would like to thank you for your kind invitation for Jamey Stoddard and Jim Woods to be present at the signing of the MOU between EPA and NVT. Unfortunately, we are not able to send Jamey and Jim to Alaska for the signing, but have made arrangements for them to be present over the phone line.

Thank you,  
Andrea Westenberger

Director McLerran,

On behalf of the Native Village of Tyonek (NVT), I am writing to invite both Jamie Stoddard and Jim Woods to the November 14th signing of the government to government MOU between EPA and the NVT. Your staff have been very important partners in the work that has been done to date on the Chuitna Coal Mine and we believe that their presence at the signing would exemplify the on-going commitment of your agency to continue to work closely with the Tribe as we move forward.

We look forward to the ceremony on the 14th and seeing you there in person.

With much appreciation,

Heather Kendall-Miller
